PAUL WALKER AWARD GOES TO JIM RUCKI

The Ohio High School Basketball Coaches Association is proud to announce that Jim Rucki of Findlay High School is the recipient of the 2026 Paul Walker Award. The Paul Walker Award is presented annually by the OHSBCA to an active coaching member of the association who has made significant contributions to high school basketball. The award is named in honor of the late Paul Walker, the longtime coach of Middletown High School. At the time of his retirement, he had the most wins as a boys' basketball coach in Ohio High School Basketball history.

Jim Rucki retired with an impressive career record of 545 wins and 258 losses over 35 seasons as a varsity head coach in Ohio, leading programs at both Rocky River and Findlay High Schools.

At Rocky River, he posted a 160–71 record, winning 2 league titles, 8 sectional championships, and 2 district titles, while earning Northeast Ohio District Coach of the Year honors three times and the AP Division II State Coach of the Year award in 1998.

Over 25 seasons at Findlay, Rucki compiled a 385–187 record with 8 league titles, 15 sectional championships, and 2 district crowns, earning multiple NW Ohio District and District 8 Coach of the Year honors, along with the OHSBCA Coach of the Year award in 2024.

Rucki has been actively involved with the OHSBCA, serving as District 8 President and District 8 Director, and Vice President of the Greater Cleveland Basketball Coaches Association. He helped with local all-star games, Top 100 showcase, and the state clinic.

A respected leader and teacher of the game, Rucki's lasting impact has been recognized through induction into the Northeast Ohio Baseball Coaches Hall of Fame and the Hancock County Sports Hall of Fame. Jim will also be inducted into the OHSBCA Hall of Fame this April.

What they are saying about Jim Rucki

"Jim is widely regarded as one of the most respected coaches in all of Northwest Ohio. Throughout his career, his teams were consistently well-coached, disciplined, and prepared, reflecting his commitment to excellence and attention to detail. A true measure of a great coach is this: when your team is talented, you win big — and when it's not, you still find ways to win more than expected. Jim ex-

emplified this year after year, maximizing the potential of every group he led. Beyond the court, he has always been a true gentleman and a highly respected colleague who carries himself with unwavering class and integrity." - *Dave Boyce, District 7 Director*

"Jim Rucki's lifelong passion for basketball and his steadfast dedication to the development of student-athletes have made a lasting impact on everyone fortunate enough to cross his path. Throughout his extensive coaching career, Jim has been instrumental in guiding young athletes, teaching not only the fundamentals of the game but also the values of discipline, accountability, and teamwork. His influence reaches far beyond the sidelines, as his leadership and commitment have helped strengthen the broader basketball community through years of mentorship, instruction, and service to the sport." - *Adam Hall, OHSBCA Public Relations Director*

28.5 Ohio Classic

The Ohio High School Basketball Coaches Association (OHSBCA) is proud to announce the launch of the first-ever 28.5 Ohio Classic, a groundbreaking girls high school basketball showcase set for Saturday, January 31, 2026, at Big Walnut High School.

This all-day event features six premier matchups between some of Ohio's top girls basketball programs, with a historic commitment to female leadership, as all 12 teams are led by female head coaches, and all games will be officiated exclusively by female referees.

2026 Game Schedule – Big Walnut High School:

10:45 AM – Worth. Kilbourne vs. Dublin Jerome
12:30 PM – Fort Loramie vs. Indian Hill
2:15 PM – Holy Name vs. Medina
4:00 PM – Hoban vs. Versailles
5:45 PM – St. Vincent-St. Mary vs. Princeton
7:30 PM – Copley vs. Big Walnut

"The 28.5 Ohio Classic is more than just a day of great basketball, it's a platform for progress, inclusion, and leadership," said Adam Hall, Public Relations Director for the Ohio High School Basketball Coaches Association.

OHSAA BASKETBALL RPI RANKINGS

For the 2025-26 boys and girls basketball seasons, the Ohio High School Athletic Association will again employ an RPI Ranking for its postseason seeding. This formula – 40% WP (win percentage) x 40% OWP (opponents win percentage) x 20% OOWP (opponents' opponents win percentage) – was developed by the Ohio High School Basketball Coaches Association and adopted by the OHSAA. The intent is a more equitable postseason seeding process.

The Girls Tournament Drawing for Divisions III-VII will be held on Sunday, February 8th at 2:00 pm, the Girls Drawing for Division I-II will be held on Sunday, February 15th at 2:00 pm and the Boys Drawing for Divisions III-VII will be held on Sunday, February 15th at 2:00 pm and the Boys Drawing for Divisions I-II will be held on Sunday, February 22nd at 2:00 pm. The OHSAA Basketball RPI Rankings is the Official ranking for tournament seeds. The link is on the OHSAA Website (For Girls - <https://www.ohsaa.org/MaxPreps-RPI/Gender/Girls/Sport/Basketball> and For Boys - <https://www.ohsaa.org/MaxPreps-RPI/Gender/Boys/Sport/Basketball>).

The deadlines for reporting girls scores are Friday, February 6th at 11:59 p.m. (Divisions III-VII) and Friday, February 13th at 11:59 p.m. (Divisions I-II). Deadlines for entering boys scores are Friday, February 13th at 11:59 p.m. (Divisions III-VII) and Friday, February 20th at 11:59 p.m. (Divisions I-II). Final RPI data for all divisions will be available on the day following the reporting deadline.

Here the classification factor for the seven-division alignment. The point values are as follows:

- Division I - 2 points
- Division II - 1.85 points
- Division III - 1.70 points
- Division IV - 1.55 points
- Division V - 1.40 points
- Division VI - 1.25 points
- Division VII - 1.10 points
- Out of State - 1.55 points (less than 2% of all OHSAA Games)

Note that lower division schools have the potential for higher RPIs based on the point system. Classification points are factored in at the WP level and trickle down into OWP and OOWP.

Non-varsity and non-state association-sanctioned schools (i.e. prep schools, Canadian schools, etc.) are not included in the RPI calculation.

The RPI is updated daily on the OHSAA website. Examples of the RPI WP calculation with classification numbers are as follows:

Small School

If you're a Division VII school - all of your games have 1.1 pt possibility. But if you play up, you might earn more. So, say you play 5 games and

you're a D-VII school. Your five games include $1.1+1.1+1.1+1.1+1.1 = 5.5$ total possible points no matter the opponent. Now, say you won 4 of those 5 games, and some were above your class. You receive... 1.25 for beating a DVI, 1.40 for beating DV, 1.55 for beating DIV, 1.85 for beating a DII, 0 for losing to whoever. Now you've earned $1.25+1.40+1.55+1.85+0 = 6.05$ out of 5.5 total points ($6.05/5 =$ a WP of 1.21 or 121%).

Medium School

If you're a Division IV school - all of your games have 1.55 pt possibility. If you play up you might earn more. But if you play down you might earn less. So, say you play 5 games and you're a D-IV school. Your five games include $1.55+1.55+1.55+1.55+1.55 = 7.75$ total possible points no matter the opponent. Now, say you won 4 of those 5 games, and some were above and some were below your class. You receive... 1.25 for beating a DVI, 1.40 for beating DV, 1.55 for beating DIV, 1.85 for beating a DII, 0 for losing to whoever. Now you've earned $1.25+1.40+1.55+1.85+0 = 6.05$ out of 7.75 total points ($6.05/7.75 =$ a WP of .781 or 78.1%).

Big School

If you're a Division I school - all of your games have a 2 pt possibility. But if you play down you might earn less. So, say you play 5 games and you're a D-I school. Your five games include $2+2+2+2+2 = 10$ total possible points no matter the opponent. Now, say you won 4 of those 5 games, and some were below your class. You receive... 2 for beating a DI, 2 for beating a DI, 1.70 for beating a DIII, 1.85 for beating a DII, 0 for losing to whoever. Now you've earned $2+2+1.70+1.85+0 = 7.55$ out of 10 total points ($7.55/10 =$ a WP of .755 or 75.5%).

To get the OWP and OOWP, please use the following

- Opponents' winning percentage (OWP): Average the winning percentages of a team's opponents. (Note: This is not calculated via the combined record of the opponents, instead by averaging each winning percentage of the opponents.) All games involving the team whose RPI is being calculated are ignored in this process.

- Opponents' opponents winning percentage OOWP): The same process as described above, except calculated for the opponents of a team's opponents.

Midwest Live Scholastic Event

Once again, the Ohio High School Basketball Coaches Association will be hosting a Midwest Live Scholastic Event for both the Girls and Boys. These events will be held during the NCAA Division I Recruiting Period in June. The Girls event will be held on June 19 & 20 and the Boys event will be played on June 26-28. The top Girls and Boys players and teams will assemble at Cedar Point Sports Center in Sandusky, Ohio to participate in this summer tournament. More information will be coming.

SCHEDULE FOR OHSAA'S STATE BASKETBALL TOURNAMENT

Having previously announced that it will revert to its "traditional" state tournament format for boys and girls basketball, the Ohio High School Athletic Association on December 18 confirmed dates and sites for both events this March.

All games will be in the Dayton area, with University of Dayton Arena hosting all finals - seven boys and seven girls - for the sixth consecutive year. Semifinals will be split between UD Arena, Vandalia Butler High School and Wright State University.

The girls tournament will be from March 12 - 14 and the boys will span four days from March 19 - 22. The format change and UD's longstanding commitment to hosting the First Four of the NCAA men's tournament, necessitates the return to a four-day event for boys, meaning several state finals will take place on March 22, a Sunday.

In one notable change, the Division I state final will be at 3:15 p.m. March 22. It typically was an evening game in past years, starting at 8:30 p.m. or later.

The OHSAA gave semifinals and finals their own separate weekends a season ago, the first under tournament expansion to seven division, and the gap between games as well as most girls semifinals and a few boys semifinals being held in high school gymnasiums drew widespread criticism from coaches and fans.

Here is the entire state tournament schedule, split by gender and division.

MORGAN WOOTTEN LIFETIME ACHIEVEMENT AWARD

The Ohio High School Basketball Coaches Association (OHSBCA) recently nominated Jim Rucki and Dennis Schrock for the Morgan Wootten Lifetime Achievement Award. The Morgan Wootten Lifetime Achievement Award is presented annually to an individual who has made significant and lasting contributions to the world of high school basketball, particularly in the areas of coaching, mentoring, and leadership. This prestigious award honors the legacy of Coach Morgan Wootten, a legendary high school basketball coach, and his dedication to developing athletes both on and off the court.

Jim Rucki retired with an impressive career record of 545 wins and 258 losses over 35 seasons as a varsity head coach in Ohio, leading programs at both Rocky River and Findlay High Schools. At Rocky River, he posted a 160–71 record, winning 2 league titles, 8 sectional championships, and 2 district titles, while earning NE Ohio District Coach of the Year honors three times and the AP

Division II State Coach of the Year award in 1998. Over 25 seasons at Findlay, Rucki compiled a 385–187 record with 8 league titles, 15 sectional championships, and 2 district crowns, earning multiple NW Ohio District and District 8 Coach of the Year honors, along with the OHSBCA Coach of the Year award in 2024. A respected leader and teacher of the game, Rucki's lasting impact has been recognized through induction into the Northeast Ohio Baseball Coaches Hall of Fame and the Hancock County Sports Hall of Fame. Jim will also be inducted into the OHSBCA Hall of Fame in 2026.

Dennis Schrock retired in 2023 after an exceptional 41-year career as a high school girls basketball coach, serving as head coach at both Jackson High School and Chippewa High School. He finished with an outstanding 723–154 career record. Under his leadership, the Lady Chippies became one of Ohio's most respected programs, earning four state tournament appearances and finishing as

state runners-up twice. Known for his consistency, preparation, and passion for teaching the game, Schrock built teams that reflected toughness, discipline, and unity. Over four decades, he developed a culture of excellence that produced championship-caliber teams and countless student-athletes who thrived under his guidance. A lifelong educator and mentor, Coach Schrock's impact extends far

beyond wins and titles, his legacy is defined by the values he instilled and the lasting influence he left on his players, program, and community. In recognition of his remarkable career, Schrock was inducted into the OHSBCA Hall of Fame in 2024.

The Morgan Wootten Lifetime Achievement Award winners will be announced in January. Award winners will be recognized at the McDonald's All-American Game in late March.

If you're looking for a Top-Rated Basketball Camp for your players, send them here...

PGC Basketball is an intense, no-nonsense camp that teaches players the game-changing skills (and super valuable leadership skills) that help coaches at the high school, NCAA, NBA and WNBA level win more games.

Players learn about all the ways that ...

- work ethic,
- encouragement,
- leadership,
- communication,
- and ALL those "little things"

... can positively affect a group of people (especially on a basketball court) so they can play basketball effectively.

Here are just a few of the schools that have sent their top talent to attend a PGC camp...

But it's not just top NCAA Division I programs that trust PGC... Current Indiana Pacers Head Coach, Rick Carlisle said... "PGC is the best basketball camp in America for learning how to think the game."

In any case, if any of this sounds interesting to you here's what you need to know... Because of their popularity and limited space, PGC sets a date and time when they begin accepting registrations each year for camp. This year, that date is Monday, Jan 26... and when registration opens, there will be a massive rush of registrations because...

The first 2,500 players who register will receive a \$100 discount. And the first 300 coaches will receive FREE tuition. Share this info with your players today and click the button below to learn more...
